NO COMPLAINTS OFFICIALLY MADE

Internal Revenue Collector
Knows Nothing of \$25
Registration Fee.

Internal Revenue Collector Chamberlain was interviewed yesterday afternoon in regard to the complaints of certain Chinese that a charge of \$25 was being made for Chinese registration on Kauai.

Mr. Chamberlain says that no complaint has been filed in his office, and that he knows nothing about the matter officially, but that as hearsay, he had heard that when they were rushed at the registration office, and the Chinese were standing in a long line, waiting their turn, outsiders had approached different Chinamen and offered, for \$25, to secure them a place at the head of the line. This, says Mr. Chamberlain, is probably the foundation of the story. "I am certain," said he, "that the gentlemen who are in charge of registration on Kauai, would not do such a thing. Mr. Arthur R. Neely, formerly of Honolulu, is at the head of the registration work there, and Meinert L. Reuter and John Ferreira, two interpreters, thoroughly reliable, are his assistants. It is quite possible that outsiders may have been getting money from the Chinese under pretext of earlier registration. Mr. Hasson has not said anything to me on the subject, nor have I seen him. There have been no complaints of any nature made to this office."

KILL THE DANDRUFF GERM

Or Your Hair Will Fall Out Till You Become Bald.

Modern science has discovered that dandruff is caused by a germ that digs up the scalp in scales, as it burrows down to the roots of the hair, where it destroys the hair's vitality, causing falling hair, and, ultimately, baldness. After Prof. Unna of Hamburg, Germany, discovered the dandruff germ, all efforts to find a remedy failed until the great laboratory discovery was made which resulted in Newbro's Herpicide. It alone of all other hair preparations kills the dandruff germ. Without dandruff, hair grows luxuriantly. "Destroy the cause, you remove the effect."

Haydn's Creation.

Haydn's grand sacred oratorio, "The Creation," will be produced in the latter part of June by the Oahu College Chorus, under the direction of Prof. F. A. Ballaseyus, assisted by the best vocal talent as soloists, and Captain Berger's orchestra. In order to increase the chorus to about 100 voices, Prof. Ballaseyus invites all musical people of the city, who are interested in the production of this immortal work, to join the chorus, and will be pleased to receive personal applications on Wednesday, May 22, 2:30 p. m., or Friday, May 24th, at 5 p. m., in the music-room of Pauahi Hall.

Notice—When you need whisky always ask for the best quality. "Kentucky Favorite," of Spruance, Stanley & Co., San Francisco.

MYSTERIOUS SUNDAY DISEASE.

Many people are seemingly well during the week, but afflicted with all manner of ailments when Sunday comes around, and on Monday they are all well again. I really dread the approach of the Lord's Day, for with the day there come to many of my flock colds, sick headaches, pain in the side and nausea, while numbers complain of "that languid feeling."

Sunday before last I spent really an anxious day, for there happened to be absent from the services quite a number, for the best of reasons, of course, a rushing in the head, a touch of sciatica, cramps, toothache, hardness of hearing, catarrh, torpid liver, inflammation of the membranes, lumbago and, worse than all, "that tired feeling." Then, what greatly distressed me the next day was that Mrs. Henry Van Blascum had issued invitations to an "at home" for that evening, and the fear well-nigh paralyzed me that but few would respond, seeing many of her invited guests had been absent from the Sabbath services. Imagine, then, if you can, my profound surprise to see on that Monday evening so wholly unexpected, so general and complete a recovery, and when I made inquiry concerning the Sabbath ailments, only two were able to recall what had really been the matter with them the day before.—A Minister in the Christian Intelligencer.

THE COOPER HEWITT LAMP.

The most recent as well as the most interesting development in electric lighting has lately been brought about by Mr. Peter Cooper Hewitt, son of ex-Mayor Hewitt of this city, as the result of long-continued and untiring exertions on his part.—Scientific American.

TO CHRISTIANIZE THE JEWS.

The Hebrew Messianic Council of Boston, for the promotion of Christianity among Jews, has been reconstituted by a number of prominent clergymen and laymen, who have called a convention of Hebrew Christians to meet in Park Street Church, Boston, May 21, 22, 23 and 24. The Rev. A. T. Pierson, D. D., of New York, will preside. There are about fifty specially invited Hebrew-Christians whose records are regarded as worthy of utilization for convention purposes. The primary questions to be discussed at the convention will be: First, is a Hebrew obliged, by the terms of essential Christianity, in becoming a Christian, to abrogate the ritual of Mosaic Judaism, the Levitical customs and ceremonies; or, secondly, may a Hebrew, who becomes a Christian, retain and observe the ritual of his fathers, if he will? Has he an option, if he has the preference? A consensus of opinion on this subject will be collected and read, from professors of Hebrew and students of Hebrew literature in the theological seminaries of the different evangelical denominations and from clergymen in the pastorate.—Christian Intelligencer.

PEACE ASSURED IN PHILIPPINES.

I believe in one year the entire Philippine archipelago will be as peaceful and quiet and law abiding as any race on earth of their general character and civilization. I think we can certainly hope that the peaceful and law-abiding character of the people will be better than that which now exists in Mexico, and very nearly as satisfactory as the condition of our Territories.—General Joseph Wheeler in Leslie's Weekly.
